A Jury Of Her Peers

"A Jury of Her Peers", written in 1917, is a short story by Susan Glaspell, loosely based on the 1900 murder of John Hossack (not the famed abolitionist), which Glaspell covered while working as a journalist for the Des Moines Daily News. It is seen as an example of early feminist literature because two female characters are able to solve a mystery that the male characters cannot.

A Jury of Her Peers - Wikipedia

The two women realize that Minnie can never receive a trial from people who will understand or even try to understand her. So they make themselves a jury of her peers who understand Minnie's actions and judge her as justified. Knotting the quilt is, of course, a metaphor for Minnie's act of killing her husband with a rope, and the men miss ...

A Jury of Your Peers: The Basics. The phrase "a jury of peers" dates back to the signing of the Magna Carta in England. At that point, the provision ensured that members of the nobility were tried by a jury comprised of fellow nobles, rather than being judged by the king. Now, however, this phrase more accurately means "a jury of fellow citizens."
