Coraline by Neil Gaiman - Goodreads

Coraline by Neil Gaiman is a weird and delightfully scary fairy tale/ghost story. I call it "delightfully scary" because while it grips the reader's attention with creepy happenings that may cause a case of the shivers, it is not the kind of scary book that leads to nightmares of the "it could happen to me" kind.

Although coraline is not one of my favourite Neil Gaiman books, this recording by the author is a must listen. Coraline is Gaiman???s rather dark and edgy reworking of the Alice story. Coraline is an extraordinary girl who fights back against the scary things, while the cat provides twists of the kind only Neil Gaiman could come up with. This book is wonderfully original. Having read most of Neil Gaiman's books I can't say it's my favourite, however I cannot imagine anyone being left with a hint of disappointment.
