### ACCOUNTING SIMPLIFIED - GBV

Let's return to the main issue of the paper. Manual accounting implies that employees perform the whole accounting cycle manually on a periodic basis: they calculate trial balances, journalize transactions, prepare financial statement reports and other routines. Of course it takes much time, resources and effort in large organizations.

### Manual Accounting Versus Computerized Accounting | Experience

Welcome to the Division of Corporation Finance's Financial Reporting Manual (FRM). We now provide access to the Division's informal accounting guidance in the FRM in two formats. First, a new web-based format (see below) that is easy to access and navigate; and second, the traditional PDF format.

### Financial and Administrative Policies and Procedures Manual

Most NGOs prepare a 'finance manual' which describes how their financial systems work. Manuals help all staff (eg at head office and in the field) understand their responsibilities and how systems and teams fit together, and to ensure compliance. They also help NGOs to handle staff changes without too much disruption.
