Jewelry Concepts and Technology: Amazon.co.uk: Oppi ...

This is my all time favourite jewelry book, which covers every facet of personal adornment, from ancient times to modern, going into anthropological detail about why people all over the world wear the jewelry they wear, how it's made, and what determines it's value- sentimental, ornamental and financial.

Jewelry: Concepts and Technology: Untracht, Oppi ...

Oppi A. J. Untracht (November 17, 1922 - July 5, 2008) was an American master metalsmith, educator, and writer. Born in New York City, Untracht obtained his Master of Fine Arts at Columbia University in 1947. Originally trained as a photographer, he studied Indian arts and crafts and later became an expert on the jewelry of India and Nepal.
