The Story Of Chocolate

The Story of Chocolate The treat that now lies quietly in its wrapper carries a story of exotic places, long journeys and small families that raise delicate tropical fruit trees. As you peel back the wrapper, you’re uncovering the cacao tree’s seed—and joining people the world over who have turned to this mysterious food for ritual, medicine and sheer pleasure for the past 4,000 years.

The Story of Chocolate - NCA

7 Interesting facts about chocolate. The Aztecs and Mayans used chocolates as money to buy things. The Aztec kings drank more than tens of cups of hot chocolate in a day. In ancient times, chocolate was known as ‘food of Gods’. The early people only ‘drank’ chocolate; they did not ‘eat’ chocolate ...

History of Chocolate - General Knowledge for Kids | Mocomi

The history of chocolate began in Southern Mexico. Fermented beverages made from chocolate date back to 450 BC. The Aztecs believed that cacao seeds were the gift of Quetzalcoatl, the god of wisdom, and the seeds once had so much value that they were used as a form of currency. Originally prepared only as a drink, chocolate was served as a bitter liquid, mixed with spices or corn puree.

History of chocolate - Wikipedia

Amazon.com: DK Readers: The Story of Chocolate (DK Readers ...

A simply written history of chocolate that gives readers an overview of usage in human consumption from the drink of the Mayans to the eventual transformation in chocolate bars. This is written for lower grade readers, but it does a satisfactory job in giving an overview of how people have enjoyed chocolate. I learned several things from the book.

The Story Of Chocolate by Katie Daynes - Goodreads

The story of chocolate starts thousands of years ago in the rainforests of South America, where the Maya people first began to farm cacao trees. The bright pink flowers of these trees developed into hard pods the size of melons, which held precious cocoa beans.

The Story of our Chocolate Journey

These can all be used together in the one lesson. If you ask the children to put a button in the palm of their hand while you read the poem and see their reaction at the end of the poem when the button has melted, talk about this and why this happened (this can be a bit messy, but fun). Then move on to the story of Chocolate powerpoint.

The Story of chocolate | Teaching Resources

‘The Story of Chocolate: Unwrapping the Bar’ looks at the unfairness at the heart of the chocolate industry and how Fairtrade is working towards a living income for cocoa farmers. It specifically focuses on women cocoa farmers and the role of women in community development.

The Story of Chocolate: Unwrapping the Bar | Fairtrade Schools

admittedly, I enjoyed this more than the girls but who can blame me? it's the story of chocolate! this level 3 easy reader covers the plant, the history, the process--this is an extremely thorough book about the subject, especially for an easy reader. the girls, well, they thought it had too many words.

The Story Of Chocolate by Caryn Jenner - Goodreads

The Story Of Chocolate Our love affair with chocolate began at least 4,000 years ago in Mesoamerica, in present-day southern Mexico and Central America, where cacao grew wild. When the Olmecs unlocked the secret of how to eat this bitter seed, they launched an enduring phenomenon.
